

WingtraOne
The professional VTOL drone
for mapping & surveying

etra

MATT HAYES
MAPPING PRODUCT SUPERVISOR
RDO, UNITED STATES

"Partnering with Wingtra really solidifies our vision of offering a strong and unique portfolio of commercial UAVs to our diverse customer base. Their VTOL drone WingtraOne is a huge technological advancement, which finally fills the gap between multirotor and fixed wing drones."

VELJKO FUSTIC
CEO
VEKOM GEO, SERBIA

"We are glad that we can finally offer solution that's able to map large areas with high accuracy. Integration of VTOL concept in fixed wing UAVs is something revolutionary in the field of aerial data acquisition. Partnership with Wingtra is important for us because it will bring to our customers a reliable system which will help them to make better decisions in fields of mapping, agriculture, forestry and mining."

ROBERT KENNEDY
DIRECTOR
CR KENNEDY, AUSTRALIA

"For CR Kennedy, the Wingtra organization and the WingtraOne product range are perfect partners. In choosing our products and partners, certain things are very important to us. This includes a unique and high end product that genuinely brings something new and exciting to our customers, and one that allows our customers to operate with the highest degree of reliability and professionalism."

MARIO CASTRO
CEO
TTQ DE MONTERREY, MEXICO

"WingtraOne and especially the newly launched high-precision PPK drone is a great fit to our high-demand portfolio covering mining, agriculture, construction and surveying equipment. The combination of VTOL and PPK technologies make WingtraOne finally fill the gap between multirotor and fixed wing drones."
